## Favorite day of the week? Why?

### XIUMIN: FRIDAY

Because I'm "free" for three days starting from Friday night haha!

### CHEN: THURSDAY

Thursday is a day that gives a good feeling.  
It seems more exciting thinking that the weekend will come in two days rather than Friday with the weekend following the next day.

### BAEKHYUN: SATURDAY

Ever since I was a child, I've always liked Saturday.  
I think it's because there's one extra day left to rest!  
You can play on Saturday and play again the next day!

## 一番好きな曜日と、その理由は?

### XIUMIN: 金曜日

夜からは3日間自由!! だから(笑)

### CHEN: 木曜日

明日が週末である金曜日より、  
明後日が週末というときめきがある曜日で、  
なんだか気分が良い曜日だ。

### BAEKHYUN: 土曜日

土曜日は幼い時から好きだった。  
休める日がもう1日残っていることがすごく好きだった!  
今日も休んで、明日も休めるなんて!
